

Ahmed Gomaa

Internship

Dear

I am applying for the **Internship role** at your esteemed organization. As I approach graduation in **Statistics and Computer Science** from **Cumhuriyet University**, I have been awarded the **Erasmus+ scholarship for a summer internship** and would like to complete my training at your company to enhance my skills and gain practical experience.

I am eager to **contribute to your team** while learning from experienced professionals. This internship will help me **grow professionally** and prepare for a **potential full-time role** in the future.

My strengths include **attention to detail, adaptability, and a positive can-do attitude**. I thrive in **team environments** but am also comfortable working **independently**.

Your company's reputation for **quality services** excites me, and I am enthusiastic about the opportunity to be part of your team. I seek to work in a **challenging environment** that fosters **growth and learning**, and I believe this internship will be a great step in that direction.

I would love the opportunity to **discuss my background further**. Please feel free to contact me at ahmedfathygomaa0@gmail.com.

Thank you for considering my application. I look forward to the possibility of contributing to your team.

Best regards,

Ahmed Gomaa
